Dear Sir/Madam,

I am the Youth Minister at Immaculate Conception Parish in Nashua NH. We are a large parish of 3,500 families in southern NH. We had the privilege and blessing of hosting LIFT Ministries on a couple of occasions for worship events.

Recently, I had an opportunity to pull together a panel of my most devout teenagers and asked them when did they make the decision to give their lives over to Jesus? Almost all of them made that decision at the LIFT night we hosted last year. The combination of prayer, Adoration, outstanding music, lighting and heart-felt speaker, effectively led our parishioners into a deep encounter with Jesus.

*Then a great and
mysterious sight
appeared in the sky.
There was a woman,
whose dress was the
sun and who had the
moon under her feet
and a crown of twelve
stars on her head.*
✠
Revelation 12:1

As the host of the event, I was surprised how little work the parish had to do. The LIFT Ministries team took care of every detail from start to finish. They came in early and set up all their equipment, lighting, and sound. They transformed our church into a beautiful Praise and Worship concert. At the end of the night, you wouldn't even know we had a large-scale event. The Sanctuary was returned exactly with every candle back in its place ready for Mass the next morning.

In this day and age, it is really difficult to get our parishioners to disconnect and open their hearts to Jesus. The LIFT events we hosted in our church, I can honestly say, have transformed lives. The performances were profoundly beautiful. Our parishioners are still talking about how they were deeply moved by those evenings.

Yours truly,

Fatima Walsh
Youth Minister
